

## Website Maintenance Services

1. Website requires regular updating and optimization for its smooth and fast working.
2. This is a bit technical action as small mishandling can lead to a big failure of your website.
3. In this regard, we offer our premium services for the handling, optimization and management of your website at very economical pricing.
4. This will definitely give you peace of mind because all of its management will be at our end.
5. We will do the following tasks in this premium service:
  - (a) Updating the WordPress and all the plugins on your website.
  - (b) Optimization of your website to make it fast and speedy.
  - (c) Provide shielding from hackers and recover your website if it may lose due to any issue like hackers attack etc.
  - (d) Monthly backups of your whole website and databases.
  - (e) Minor updates on your pages, posts, links, and any other information as required.
  - (f) Fixing of any issues that may occur while misbehaving of any functionality
  - (g) Taking considerations of important emails, comments, and notifications.
  - (h) cPanel handling and support for different functionalities.
  - (i) SSL (HTTPS) management and updating.
  - (j) 24/7 WhatsApp support.
6. You can avail our service of website handling, updating and optimization by buying Monthly, Quarterly, Six Monthly, or Annual plan which will be cost as \$30, \$90, \$180, and \$350 respectively. This is equal to \$35 per hour. It is to be noted that if work is completed quickly e.g 5~10 minutes then it will still be counted as 30 minutes. Likewise if work is completed in 35~40 minutes, then it will be counted as one hour.
7. We assure you for the quality of our service as you are experiencing before from our side.
8. We are currently providing this service to our multiple clients who are highly satisfied with our services. Please read [Testimonials](#) section on our website in this context.
9. Feel free to ask us for any query or information.
10. Our support is 24/7 with you.
