Compassion. Care. Commitment.

"Choosing to care for others is more than a profession—it's a calling that requires compassion, patience, and skill. True caregivers don't just treat conditions; they uplift lives and bring dignity to healing."

Flexible training, real experience —  
empowering future CNA and HHA professionals for lifelong success.

Ascent Training Center offers CNA and HHA programs that blend flexible schedules with hands-on clinical experience, preparing you for a rewarding and impactful healthcare career.

Our expert instructors provide personalized support throughout your training journey. With real-world clinical exposure and comprehensive coursework, you'll gain the skills, confidence, and certification needed to excel in caregiving roles and beyond.
